

Dear families,

Our priority is to support families and partner with the schools to provide a clean, safe, enriching learning environment; as we establish a “new normal” to ensure that all children, staff, and families have safe experiences. Whatever your school and district is doing in the fall, we are here for you. We have solutions that fit almost any schedule. We look forward to being responsive and resourceful to your child care needs with high-quality programs for returning to school in the fall.

EXAMPLE SCHEDULES:

FULL DAY PROGRAM + DISTANCE LEARNING SUPPORT

- Total distance learning support onsite, 4-5 days per week, HW support by grade cohort, in addition to our regular program
- Children use their own or school provided tech, tablets, laptops, and hot spot, as applicable
- Collaborative relationships between center teachers and the school
- Follow Health & Safety Compliance by county

HYBRID PROGRAMS: ALTERNATING DAYS & TIMES

- Students attend school based on the schools modified schedule. We will maintain stable teachers per group, to maintain consistency
- Children use their own or school provided tech, tablets, laptops, and hot spot, as applicable
- Follow Health & Safety Compliance by county

TRADITIONAL + COVID ENHANCED CARE REQUIREMENTS

- Continue to serve children with new Covid 19 Health & Safety guidelines as a priority
- Children use their own or school provided tech, tablets, laptops, and hot spot, as applicable
- Follow Health & Safety Compliance by county

Strictly following the Centers for Disease Control and Prevention guidelines.

Frequently Asked Questions

What are Catalyst Kids program and child care options for the fall? It depends on what the district, county and state is planning for the fall. Catalyst Kids, formerly CDC, is an independent enrichment and child care service provider supporting the needs of the community. We will continue to adapt our services to match both the school plan and community. We are prepared to partner with the schools to provide quality services for families in the community.

Do families need to sign-up their children in advance? Yes, that helps us reserve their spot in our program. Due to social distancing ratios space is limited. The earlier you sign up, the more likely your child will have a spot reserved for the fall. No deposit is required in advance, you can register with no financial commitment.

How are the centers supporting distance learning? Our centers are prepared to support all enrolled children with distance learning support and collaborate with school teachers, while keeping in mind the specific needs of individual children and families.

What are center Covid practices? Our centers perform daily health checks on everyone before entering the building. Clean and Touchless sign-in-and-out for families. Frequently scheduled disinfecting, social and physical distancing practices. We maintain small, stable groups of children and staff to ensure consistency.

Family Testimonials - Examples of what families are saying about *Catalyst Kids, formerly Child Development Centers*

- **"We have been sending our two kids to CDC this summer** so that they could be around other kids in person, get exercise, have a caring teacher to guide them in fun learning activities, and have the stability of a daily routine. As a teacher myself, I feel that these things are important to the wellbeing of my kids. At first I was hesitant to have our kids go to the CDC due to my Covid-19 fears, but I felt more confident once I saw the safety measures put in place: mask wearing, having the kids outside as much as possible, and teachers reminding kids to social distance. Thank you for your hard work." –Tracey A. Bay Area Parent
- **"Child Development Center team is phenomenal!** They are a group of caring, professional, and compassionate people. They have created a safe environment for the children and allow their imaginations to grow. The opportunities they offer have surpassed all my expectations as a parent. When I am at work, I know that my child is in the best care and he is having fun. I would not hesitate to recommend this amazing center. Thank you for all you do!" –Annette M. Irvine Parent
- **"Hello, I cannot express the amount of gratitude** I have for you and your staff at Club Rocklin. Being a Full Time Essential Working Dad and knowing that I have a safe place to take my daughter each day is a huge relief for me. Your team is always kind and welcoming at drop off and pick up and I appreciate the safety measures you also have in place. All in all, I have been very satisfied with your Program and cannot wait to send my younger daughter there once she is old enough. Thank you for all that you do!" -- Mike, Rocklin Parent
- **" Our daughter has now been attending CDC Juanamaria** for over 3 years and words cannot describe how grateful we are to the wonderful and nurturing staff who are charged with her care for the extended day, and year-round. She has grown in all aspects of her development. We look forward to the next few years that she has left and will be forever indebted to the staff and program for making our daughter a responsible member of our community." --Dr. H Oxnard Parent
