

At Home Material List

Older Infants – 7 to 12 months old

Older babies are movers – they roll over, scoot, sit, bounce, pull up, stand, or crawl. They love finding hidden things and putting things in and out of containers.

Push and pull toys

Use small and large muscles with these toys

Board books

Thick and sturdy books with colorful pictures and interesting words

Building toys

Soft, plastic or wooden blocks of any size or shape

Nesting or Stacking Toys

For biting, sucking on and shaking

Pillows

Laid low on the floor for crawling over

Water toys or pretend play toys

Toys to fill and dump water, stacking and pretending
