

On the path to a Child Development Permit?

Read more on how to obtain reimbursement for your application!

The Child Development Permit Funds Project is available to applicants statewide. The CDTC pays the permit application fee (if eligible) and Live Scan fingerprint processing reimbursement (if applicable) for the Child Development Permit levels listed below, including permits with a School-Age Emphasis.

1. **First Time Permits:** Associate Teacher and Teacher
2. **Permit Renewals:** Associate Teacher and Teacher (Valid and expired permits are eligible to submit for renewal)
3. **Permit Upgrade to any Higher Level Permit from these Permit Levels:** Associate Teacher and Teacher (Valid and expired permits are eligible to submit for upgrade)
4. **Teacher Permit Online Renewal:** CDTC can reimburse \$100 of the renewal fee for Teacher Permit only (applicant will need to pay the fees by MasterCard, Visa, debit, or credit card). Follow the instructions in the Online Teacher Renewal Application for how to renew online and the reimbursement requirements.

Funding is limited based on availability. At such time it is determined that the total permit stipend budget will be expended; permits will be processed on a firstcome first-serve basis according to predetermined priorities.
